Reasons for Membership

People must become Members of STCC for legal and financial reasons -

Legal - all players must become Members of the Club to ensure they are covered for insurance purposes. Anyone using the Club facilities (unless attending a private function or as a signed in guest) must be a Member to comply with licencing laws. A fee is paid by the Club to Heslam Park for all cricket Club Members.

Financial - cricket is a very expensive sport to run. Whilst we receive some support from Heslam Park, we still have many expenses including coach training course fees, training equipment, match balls, league affiliation fees etc. All of our coaches, managers and other volunteers give up their time for free but there are always other costs that need covering. The vast majority of Clubs charge an annual Membership, and those that don't generally charge a large weekly match fee. We do try to monitor the fees charged by other Clubs and we believe that we offer excellent value for money for the facilities and coaching provided. Members (subject to the above levels of Membership) have the right to attend the annual AGM and vote against any proposed rises in Membership fees. They may also propose a decrease in fees subject to this being done in line with the Constitution of the Club.
